

Project • Archer Court Townhouses Phase II
Address • 2220-2242 S. Princeton in Chinatown
Architect • Landon Bone Baker Architects
Sponsor/Owner • Chicago Community Development Corporation and the Chinatown Chamber of Commerce

Phase II of the redevelopment of a former CHA site, the 43 Archer Court townhouses are a striking complement to the redevelopment of the entire site. Colorful exterior walls reflect traditional Chinese architecture while linear structural elements are purely modern. Clustered around a well-landscaped courtyard, the townhouses are a welcome addition to this vibrant Chinatown neighborhood.
