

Project • Roseland Ridge Apartments
Address • 1059-10547 S. Michigan Ave.
Architect • Landon Bone Architects
Sponsor/Owner • Neighborhood Housing Services
Redevelopment Corporation

Viewing a design challenge as an asset, Landon Bone Architects designed this complex to use the steep slope of the site to its advantage. Stairways that ascend the slope to each apartment's front door and individual patios create a single-family home atmosphere that pleases tenants and complements the architecture of the surrounding community.
